The MCSS will provide the waiver holder an opportunity to attend a hearing. Notice of this hearing will be in writing and will give the waiver applicant at least 30 days notice of the time, date, place, and nature of the hearing. Notice will be served in person or by certified mail or, upon agreement of the parties, by email.

**8.8. Right to Appeal Medical Waiver Revocation.**

Within 30 days of the completion of a hearing or the failure of the waiver holder to file a written answer in response to it, the Chief or his or her designee will issue a decision either affirming the revocation or reinstating the medical waiver. Within 30 days of receiving written notice from the MCSS revoking a medical waiver, the aggrieved holder may submit an exception or appeal. Additionally:

**8.8.1.** Appeal requests must be made in writing.

**8.8.2.** Appeal requests must be addressed to the Chief at the MCSS at 15075 S. Golden Rd., Golden, CO., 80401.

**8.8.3.** The Chief will hold a hearing on the appeal.

**8.8.4.** The Chief will issue a written decision within 20 business days of the completed hearing. Notice of the decision will be served in person or by certified mail to the last known address provided for the appealing party. Upon agreement of the parties, service may also occur by email.

**8.8.4.1.** If the Chief finds by a preponderance of the evidence that evidence of non-compliance and/or ineligibility is sufficient, revocation of the medical waiver will be sustained.

**8.8.4.2.** If the Chief finds by a preponderance of the evidence that evidence of non-compliance and/or ineligibility is insufficient, the revocation of the medical waiver will be immediately reversed, and the medical waiver will be reinstated.

**8.8.5.** The decision of the Chief on appeal will constitute a final agency action and is subject to judicial review as outlined in Section 24-4-106, CRS.

**MCS 9. Compliance Reviews and the Assignment of Intrastate Safety Fitness Ratings.**

Section 42-4-235 (2) (c), CRS, gives the CSP the exclusive authority to conduct Compliance Reviews. Out of this exclusive authority arises the ability to assign Safety Fitness Ratings to motor carriers and the responsibility to levy sanctions in the form of Civil Penalties for violations against persons for operating commercial vehicles inconsistent with these rules.

**9.1. Exclusive Authority to Conduct Compliance Reviews.**

Section 42-4-235 (2) (c), CRS, gives the CSP exclusive authority to conduct Compliance Reviews, as defined in 49 CFR 385.3, and to impose Civil Penalties pursuant to such reviews. Only authorized CSP Enforcement Officials have the authority to conduct Compliance Reviews.

## 9.2. Application of Intrastate Carrier Safety Ratings.

The CSP will establish a Safety Fitness Rating for each motor carrier upon which it conducts a Compliance Review. Upon completion of a Compliance Review, the CSP will assign a proposed Safety Fitness Rating that will be based on the degree of compliance with the federal motor carrier Safety Fitness Standards for motor carriers outlined in 49 CFR 385.5.

- 9.2.1. The Safety Fitness Rating will be determined using the factors prescribed in 49 CFR 395.7 as guidance. A motor carrier may determine their degree of compliance with the Safety Fitness Standard by reviewing 49 CFR 385.5.
- 9.2.2. On the 61st day after the assignment of a proposed Safety Fitness Rating, the motor carrier's Safety Fitness Rating will become the final Safety Fitness Rating.
- 9.2.3. The final Safety Fitness Rating for an intrastate motor carrier will be available to the public on request by contacting the CSP CRU at:

Colorado State Patrol, Central Records Unit  
700 Kipling St.  
Lakewood, CO., 80215

## 9.3. Administrative Review of Safety Fitness Rating.

If a motor carrier believes the CSP committed an error in assigning its' Safety Fitness Rating, the motor carrier may request an administrative review of the Compliance Review that resulted in the assignment of the disputed Safety Fitness Rating. The request from the motor carrier must comply with the following provisions:

- 9.3.1. The request must be in writing and addressed to the Chief within 30 days of the assignment of the proposed Safety Fitness Rating.
- 9.3.2. The request must explain the error the motor carrier believes the CSP committed in issuing the Safety Fitness Rating. The motor carrier must include a list of all factual and procedural issues in dispute and any information or documentation that supports its assignment.
- 9.3.3. The Chief may request more information and/or require the motor carrier to attend a conference to discuss the rating. If the motor carrier does not provide the information request or attend the conference, the Chief may dismiss the request.
- 9.3.4. The Chief will serve the decision in writing within 30 days of receiving the request.
- 9.3.5. The proposed Safety Fitness Rating will remain as a proposed Safety Fitness Rating until the decision of the Chief.
- 9.3.6. The decision of the Chief will include the assignment of a final Safety Fitness Rating. The decision will constitute a final action by the CSP.

**9.4. Motor Carrier Request to Change Safety Fitness Rating for Corrective Action(s).**

An intrastate motor carrier may request a change to its' Safety Fitness Rating based on corrective actions completed by the motor carrier. A request to change a Safety Fitness Rating based on corrective action(s) cannot be made by a motor carrier and will not be acted upon by the CSP sooner than 90 days after the assignment of a proposed Safety Fitness Rating. The request must be submitted in writing and addressed to the Chief. The request must include the following information as it is relevant to the motor carrier:

- 9.4.1.** A description of corrective action(s) taken by the motor carrier since the assignment of the Safety Fitness Rating.
- 9.4.2.** A description of how the corrective action(s) address(es) each violation identified in the most recent Compliance Review as an acute and/or critical violation. The motor carrier must also address factor six (crashes) of the Compliance Review when the rating entered for factor six is "unsatisfactory."
- 9.4.3.** An explanation as to why the violation(s) cited as acute and/or critical were permitted to occur.
- 9.4.4.** The corrective action(s) taken by the motor carrier to ensure against these critical and/or acute violations in the future.
- 9.4.5.** If factor six (crashes) is rated unsatisfactory, an accident countermeasure program must be included as part of the corrective action(s) addressed. The program must include, but not be limited to, defensive driving training.
- 9.4.6.** If the corrective action(s) include(s) action(s) to be taken shortly, such as training, reorganization of departments, purchasing of computer programs, etc., a schedule of when the corrective action(s) is to occur must be included.
- 9.4.7.** Any additional documentation or information that relates to motor carrier safety, additional voluntary corrective action(s), and the prevention of crashes and hazardous materials incidents must be included.
- 9.4.8.** A written statement certifying that the motor carrier will operate in compliance with the motor carrier safety and hazardous materials regulations adopted by the CSP under Sections 42-4-235 and 42-20-108, CRS, and all other relevant state and local laws.
- 9.4.9.** The request must be signed by a corporate officer in the case of a corporation, a member or manager in the case of an LLC, by the general partner of a limited partnership, or by all partners or proprietors in the case of a general partnership or proprietorship.

**9.5. Motor Carrier Request to Change Safety Fitness Rating Through Compliance Review.**

A motor carrier may request a change in their Safety Fitness Rating by requesting a subsequent Compliance Review, as follows:

- 9.5.1.** The request for a subsequent Compliance Review must be made to the Chief in writing.

**9.5.2.** The request cannot be made by the motor carrier and will not be acted upon by the CSP sooner than 90 days after the assignment of a proposed Safety Fitness Rating.

**9.5.3.** As part of the subsequent Compliance Review, a Compliance Review Investigator will review the corrective action(s) taken by the motor carrier since the last Compliance Review.

**9.6. Request for an Administrative Review/Compliance Review Does Not Preempt Requests for Other Administrative/Compliance Reviews.**

Requesting a review of a Safety Fitness Rating under Part 9.3 of these rules will not prevent a motor carrier from requesting a review of the same Safety Fitness Rating under Parts 9.4 or 9.5 of these rules. Conversely, a request to review initially under Part 9.4 will not preempt subsequent requests under Parts 9.3 or 9.5, nor will an initial request to review under Part 9.5 prohibit subsequent requests to review under Parts 9.3 or 9.4.

**9.7. Final Safety Fitness Rating Assignment.**

Absent any request from a motor carrier to administratively review a Compliance Review resulting in the assignment of a Safety Fitness Rating or any other request to change a Safety Fitness Rating from a motor carrier, a Safety Fitness Rating becomes final on the 91ST day following its assignment.

**MCS 10. Compliance Reviews and Civil Penalties.**

Under Section 42-4-235 (2) (c), CRS, the CSP has the exclusive enforcement authority to conduct Compliance Reviews as defined in 49 CFR 385.3 and to impose sanctions on motor carriers in the form of Civil Penalties for violations discovered as a result thereof. Section 42-4-235 (2) (a), CRS, provides that any person who violates the rules adopted by the Chief under Section 42-4-235 (4) (a), CRS, is subject to the Civil Penalties authorized by 49 CFR 386, Subpart G. Section 42-4-235 (2) (a), CRS, authorizes the assessment of Civil Penalties against intrastate motor carriers determined to be operating in violation of these rules.

**10.1. Determination of Civil Penalty Assessment.**

The amount of a Civil Penalty Assessment against an intrastate motor carrier is influenced by the Civil Penalties authorized by 49 CFR 386 Subpart G, as it is codified into Section 42-4-235 (2) (a), CRS. The following criteria are factors included in the determination of any intrastate Civil Penalty Assessment:

**10.1.1. Scope of Review May Not Exceed 3 Years.** Consistent with Section 42-4-235 (2) (b) (II), CRS, an authorized CSP Enforcement Official will not consider more than three years of a motor carrier's safety compliance history when determining a Civil Penalty Assessment.

**10.1.2. Applicability of 49 CFR 386 Subpart G to Intrastate Motor Carriers.** As codified into law through Section 42-4-235 (2) (b) (I), CRS, 49 CFR 386 Subpart G applies to the determination of Civil Penalties assessed against intrastate motor carriers thus that:

**10.1.2.1.** The determination of an intrastate motor carrier Civil Penalty may include consideration of the nature and gravity of the violation(s) identified, the degree of culpability, and such other matters as justice and public safety may require.

**10.1.2.2.** The Civil Penalty Fine Schedules detailed within Appendices A and B to Subpart G of 49 CFR 386 are codified as a result of Section 42-4-235 (2) (a), CRS. These fine schedules provide guidance and support for determining and calculating Civil Penalty Assessments. The Civil Penalty Fine Schedules of Appendices A and B to Subpart G of 49 CFR 386 are incorporated into these rules as is consistent with Section 42-4-235 (2) (a), CRS.

**10.1.2.3.** Provisions of 49 CFR 386 Subpart G relating the amount of a Civil Penalty Assessment to the ability of a motor carrier to pay the assessment are explicitly excluded. They are not considered when determining or assessing a Civil Penalty against an intrastate motor carrier.

**10.1.2.4.** The intrastate operation of implements of husbandry is exempted from and is not subject to the Civil Penalties that may be assessed under Section 42-4-235 (2) (a), CRS. Section 42-4-235 (2) (a), CRS, does not repeal, preempt, or negate any existing regulatory agricultural exemption that is extended to any vehicle operated intrastate consistent with Section 42-4-235 (2) (b) (III), CRS.

**10.2. Notice of Civil Penalty Assessment (NOC).**

A Compliance Review may or may not result in the assessment of a Civil Penalty for violations discovered during a Compliance Review. If a Civil Penalty is assessed upon the completion of a Compliance Review, written notification of a Civil Penalty assessment will be served on a motor carrier in the form of a NOC.

**10.3. Motor Carrier Response to Civil Penalty NOC Required.**

A motor carrier must respond to the MCSS within 30 days of service of the NOC on the carrier by either:

- 10.3.1.** Paying the full amount of the Civil Penalty as instructed in the NOC; or
- 10.3.2.** Submitting a written request for a payment plan to the Commander of the MCSS;  
or
- 10.3.3.** Submitting a written response requesting an administrative review of the Civil Penalty Assessment.

**10.4. Motor Carrier Requests for Administrative Review of Civil Penalty Assessments.**

If a motor carrier believes the CSP committed an error in determining or assessing a Civil Penalty, a motor carrier may request an administrative review. The following provisions apply to the administrative review process:

- 10.4.1.** A request for an administrative review of a Civil Penalty Assessment must be in writing and addressed to the Chief within 30 days of the service of the NOC.
- 10.4.2.** A request must explain the error the motor carrier believes the CSP committed in determining or assessing the Civil Penalty. The written request must include a list of issues in dispute and any supporting information or documentation.

- 10.4.3.** The Chief or his or her designee may request additional information and/or request the motor carrier to attend an administrative review conference to discuss the penalty. A motor carrier must respond within 30 days of any request for additional information and will receive at least 30 days notice of any scheduled administrative review conference. Notice will be in person, by certified mail, or upon the parties' agreement, by email.
- 10.4.4.** The Chief or his or her designee will serve the motor carrier with a written decision within 30 days after the Chief or his or her designee has determined the administrative record is complete. An administrative record will not be determined complete before the end of any request or review conference and response period extended by the CSP to the motor carrier through 10.4.3.
- 10.4.4.1.** The failure of a carrier to provide additional information as requested under 10.4.3 for purposes of an administrative review will be construed to mean the motor carrier has submitted their complete response.
- 10.4.5.** Within 30 days after service of the written decision of the Chief or his or her designee, a motor carrier may appeal a Civil Penalty Assessment. Appeals must be in writing and addressed to the Chief. Additionally, appeals of civil penalties following an administrative review must:
- 10.4.5.1.** Be mailed to the Colorado State Patrol Motor Carrier Safety Section.
- 10.4.5.2.** Include a copy of the letter outlining the decision reached by the administrative review completed by the Chief or his or her designee.
- 10.4.5.3.** A statement specifically outlining the error the motor carrier believes the Colorado State Patrol made in its sanctioning of the motor carrier, either in determining the violations or assessing the Civil Penalty.
- 10.4.5.4.** A list of any issues stipulated to, resolved, or upon which agreement was reached during the administrative review process.
- 10.4.5.5.** A list of any issues upon which agreement was not reached and remained in dispute or that the motor carrier finds to be in error despite the administrative review process.
- 10.4.5.6.** Whether the motor carrier is appealing the civil penalty in whole or in part and any legal documentation or authority available supporting or substantiating the motor carrier's position; and
- 10.4.5.7.** Whether the motor carrier requests that the hearing be presided over by an Administrative Law Judge from the Office of Administrative Courts instead of the Chief of the CSP or his or her designee.
- 10.4.6.** Absent a specific request otherwise, the Chief of the CSP or his or her designee may preside over a hearing appealing a Civil Penalty after an administrative review. The Chief or his or her designee may withdraw and request an Administrative Law Judge from the Office of the Administrative Courts to be assigned and continue the hearing unless the withdrawal of the Chief or his or her designee would make it impossible for the CSP to render a decision.

**10.4.7.** The Chief or the Administrative Law Judge will serve the parties with a written decision within 30 days after the Chief or the Administrative Law Judge has determined that the administrative hearing record is complete. Upon agreement of the parties, the notice will be in writing by certified mail or by email, and will also be made in person. This written decision will constitute a final agency action.

**10.4.8.** The motor carrier has 35 days from the date of a final agency decision to file an action in an appropriate district court under Section 24-4-106 (4), CRS.

**10.5. Motor Carrier Failure to Respond or Cooperate.**

A motor carrier who fails to cooperate with the completion of a Compliance Review or who fails to pay in full a Civil Penalty assessed consistent with these rules and Section 42-4-235 (2), CRS, is subject to additional statutory action.

**10.5.1.** Under Section 42-4-235 (2) (d) (I), CRS, the MCSS will forward to the CDOR the information of any motor carrier who does not cooperate with a request for a Compliance Review or who fails to pay a Civil Penalty Assessment in full 30 days subsequent notice of failure of a specified motor carrier to cooperate or pay.

**10.5.2.** The CDOR will take action against a motor carrier as authorized and required under Section 42-3-120, CRS.
