RE: Corrections to Regulation Number 61, 5 CCR 1002-61  
Tracking Number 2016-00641

Dear Ms. Maiolo:

On August 8, 2016 and October 11, 2016, amendments to Regulation No. 61 were adopted by the Water Quality Control Commission. Pursuant to § 24-4-103(11)(d), C.R.S., the amended regulation and the Attorney General's opinion were submitted to the Secretary of State under Tracking Numbers 2016-00110 and 2016-00302. These amendments modify Regulation 61 to reflect current changes in the Water Quality Control Act regarding fee sectors and to delete provisions referencing fee proration. These changes are to become effective on December 31, 2016.

Review of Regulation No. 61, specifically sections 61.68 and 61.69, has revealed a typographical/clerical error in that the two Statement of Basis, Specific Statutory Authority and Purpose sections should be listed as sections 61.69 and 61.70 respectively. Section 61.68 was a previously adopted Statement of Basis, Specific Statutory Authority and Purpose.

Pursuant to the rulemaking provisions of the Colorado Administrative Procedures Act, clerical errors may be corrected upon submission of a request by the agency. C.R.S. § 24-4-103(11)(d)(II).

I have reviewed these errors and have determined that they are nonsubstantive. An appropriate corrective document has been provided.

Sincerely,

FOR THE ATTORNEY GENERAL

JERRY W. GOAD
