Draft Statement of Basis, Purpose, and Specific Statutory Authority

Office of the Secretary of State Rules Concerning Bingo and Raffles Games 8 CCR 1505-2

May 15, 2014

I. Basis and Purpose

This statement is about amendments to the Colorado Secretary of State rules concerning bingo and raffles games. The Secretary of State intends to adopt amendments necessary to implement House Bill 14-1265, which reorganized and made technical and substantive changes to the Colorado Bingo and Raffles Law¹. The Secretary is also considering other amendments to the rules in order to ensure uniform and proper administration, implementation, and enforcement of Colorado bingo and raffles laws, answer questions arising under these laws, and improve the administration of bingo and raffles games in Colorado. Such amendments include revisions proposed by Colorado Bingo-Raffle Advisory Board members and bingo-raffle stakeholders.

At the February 5, 2014 and April 16, 2014 Bingo-Raffle Advisory Board meetings and at subsequent stakeholder input sessions, individuals expressed the need to revise rules concerning how licensees conduct progressive raffle games. The Secretary is considering the recommendations through the following rule revisions:

- Current Rule 8.4.4 is relocated to New Rule 8.4.2(d). The new location requires winning progressive raffle ticket purchasers to be present only for playing-card games, and not for members-only games.

On April 24, 2014, the Secretary issued a request for public comment to help our office develop preliminary draft rules. The comments we received in anticipation of rulemaking are available online at: http://www.sos.state.co.us/pubs/rule_making/bingoRuleComments.html and are incorporated into the official rulemaking record.

The Secretary proposes the following rule revisions:

- Rule 1.1 is repealed as unnecessary and Rules 1.2 through 1.7 are renumbered accordingly.

¹ Article XVIII, Section 2 of the Colorado Constitution and Article 9, Title 12 of the Colorado Revised Statutes.

- New Rule 1.7 defines “house rules.”
- Amendments to Rule 1.15, including New Rule 1.15.2, revise the “remuneration” definition and allow a licensee to provide minimal amounts of food to volunteers, in accordance with HB 14-1265.
- Rule 2.3.1(d) is amended to repeal the provision that allows renewing games managers to use their prior certification’s expiration date as the start date of the new certification’s period of validity. This revision is expected to reduce confusion among renewing games managers and harmonize certification requirements with current Department of State system capabilities.
- Rule 2.4.3 is amended to clarify what licensees must post at each occasion.
- Rule 2.4.4(c) is amended to correct the statutory reference in accordance with HB 14-1265.
- Amendments to Rule 3.2.3(b) repeal the requirement that licensees run progressive bingo games at successive occasions in accordance with HB 14-1265.
- Rule 3.2.16 is repealed as unnecessary.
- Rule 4.1.1(a)(2) is amended to correct the statutory reference in accordance with HB 14-1265.
- New Rule 4.1.5(c) (formerly Rule 4.1.7(c)) is amended to allow licensees more flexibility in determining prices for progressive bingo cards.
- Rule 7.1.1 is amended to correct the statutory reference in accordance with HB 14-1265.
- Rule 8.1.4 is amended to allow licensees awarding prizes with a total retail value over \$1,000 to post winning raffle ticket information online. The Secretary also reformatted the rule as a table to provide more clarity on general raffle ticket requirements.
- Rule 8.1.5 is amended to allow licensees awarding prizes with a total retail value of \$1,000 and under to post winning raffle tickets online. The Secretary also reformatted the rule as a table to provide more clarity on general raffle ticket requirements.
- Amendments to Rule 8.1.6 require a licensee to demonstrate to the Secretary of State that it will provide notice of cancelation to all raffle ticket purchasers before canceling a raffle.
- New Rule 8.1.8 establishes that a licensee may conduct no more than one regular raffle drawing at a bingo occasion.

- Amendments to Rule 8.4.1(b)(2) require a licensee to use identical containers when conducting a playing-card progressive raffle. This provision is expected to prevent fraud and mismanagement in these games.
- Rule 8.4.3 is amended to limit a licensee to conducting simultaneously no more than one playing card progressive raffle and one member-only progressive raffle drawing at a bingo occasion.
- Rule 8.4.4 is incorporated into Rule 8.4.2(d).
- New Rule 8.4.5(a)(4) allows a licensee to set a progressive raffle jackpot maximum below the \$15,000 maximum set by rule. This will allow licensees more flexibility in running these games.
- New Rule 8.4.5(b) allows a licensee to seed a progressive raffle with an amount not to exceed \$500.
- Current Rule 8.4.6(a) is recodified as New Rule 8.4.2(f).
- Current Rule 8.4.7 is renumbered as Rule 8.4.6 and subsection (c) is amended to clarify what licensees must post when conducting progressive raffles.
- Rule 9.3.2 is amended to provide that the default deadline for redemption of a pull tab is 21 days after a pull tab deal closure except as otherwise provided for seal and progressive pull tab winners in the rules, and unless the licensee establishes an alternative deadline in house rules. This revision will provide clarity to pull tab purchasers while maintaining flexibility for licensees.
- Rule 14.1.1 is amended to correct statutory references in accordance with HB 14-1265.
- Rule 15.3.2 is amended to eliminate the reference to raffle equipment and to correct other statutory references in accordance with HB 14-1265.
- Other changes to rules not specifically listed are non-substantive. Some words and phrases are changed to simplify or clarify, but the meaning is not intended to be altered unless as described above. Cross-references in rules are also corrected or updated. Renumbering the rules is necessary for consistency with Department rulemaking format and style.

II. Rulemaking Authority

The statutory authority is as follows:

1. Section 12-9-103(1)(b), C.R.S., (2013), which authorizes the Secretary of State to “supervise the administration and enforcement of this [Article 9] and, in consultation

with the board, to adopt, amend, and repeal rules governing the holding, operating, and conducting of games of chance . . . [.]”

2. Section 12-9-107(13)(a), C.R.S., (2013), which authorizes the Secretary of State to “establish by rule the method of play and amount of prizes that may be awarded . . . [.]”
3. Section 12-9-107(13)(m)-(o)(I), C.R.S., (2013), which authorizes the Secretary of State to:
 - a. Establish by rule the maximum jackpot licensees may award for progressive raffles;
 - b. Establish by rule the maximum number of progressive raffles licensees may conduct simultaneously to ensure that all prizes offered are timely awarded; and
 - c. Establish by rule the permitted methods of conducting a progressive raffle.
4. Sections 12-9-202(2)(a)-(c), C.R.S., (2013), which require the Colorado Bingo-Raffle Advisory Board to offer the Secretary of State advice regarding the types of charitable games to be conducted, the rules for those games, the number of occasions per year, and the licensing requirements for the conduct of charitable gaming.
