CHP 23-01-31-B, Revision to the Child Health Plan Plus Program Rule concerning Verified Information at Renewal, Section 140

Medical Assistance. The proposed rule change will amend 10 CCR 2505-3 section 140.1 to update the lookback period of three months to six months when determining if a case has up-to-date information as part of the ex-parte review at renewal. Policy received guidance from CMS that allows states the flexibility to determine whether verified information is considered up-to date and states can consider information verified within the last 6 months. The lookback period determines if a member's case has up-to-date information, if not, this information is requested at renewal. System updates have been made to implement this change.

The authority for this rule is contained in 42 C.F.R §457.343 and §457.380 and Sections 25.5-1-301 through 25.5-1-303 (2022).
