Re: Amended Permanent Rule 14.A & Amended Permanent Rule 14.B

Amended Permanent Rules 14.A and 14.B were presented and approved at the Colorado Lottery Commission meeting held on August 10, 2011. Normally this would mean the rules would become effective on September 30, 2011. However, the changes addressed in Rule 14.A do not take effect until January 15, 2012 and changes in Rule 14.B do not take effect until January 18, 2012. Therefore, the Lottery is requesting the rules be held and published on January 13, 2012.
