

Planning a Progressive Raffle

Important

Refer to § 24-21-601, et seq. C.R.S. and 8.4 of 8 CCR 1505-2 for requirements applicable to a progressive raffle.

- Rules must be provided to our office for any progressive raffle **prior** to sales. See sample rules below.
- Submit LE-34c with every quarterly report.
- “For members only” means qualifying members of the licensed organization only—not auxiliary, spouse, guests, etc.
- Consolation prize is a \$ or % of gross sales for that particular drawing’s gross sales, **not the current jackpot**.
- Only one playing card **and** one “members only” progressive raffle can be played at the same time.
- Secondary jackpots in progressive raffles are not allowed.
- Consolation prize amount does not count against the \$15,000 maximum.
- Licensee can retain all proceeds from progressive raffle sales only after the jackpot max is reached.
- Progressive raffle start-up money cannot exceed \$500 and **cannot be from previous raffle sales profits**.
- The following can’t be changed once the raffle is in progress: must go amount, percent kept, # of cards drawn, jackpot amount, and ticket price.

Sample rules

- The price of a ticket is: \$_____.
- Tickets are available for purchase between the following dates/times:
_____ Date / time
- Ticket will be drawn on _____ at _____ **and can choose one card**.
Date / time location
- _____% of weekly sales will be kept by the licensee and _____% will go to the jackpot.
- Once the jackpot reaches \$_____, a must give-away drawing will be held and tickets will be drawn until the jackpot card is drawn.
- Any winnings over \$_____ will be paid on _____.
Date / time
- New tickets must be purchased for the next drawing.
- This jackpot card will win the jackpot: _____.
Jackpot card
- The current jackpot is: \$_____.
- A consolation prize of _____ % (or \$_____) will be given if jackpot card is not found.
