The so-called "Great Judges for a Great Colorado" cannot be allowed to exist.
This organization is asking to make the determination alone on which Judges of Justices are "worthy" in their opinion.
This is an Unconstitutional politicization of the Bench.
Although this law firm has put a lot of fancy language into asking how to they should be classified, what they are proposing still amounts to corruption.
Paying for ads to sway public opinion against judges who don't rule in this law firm's favor is corruption.
I really hope that I don't have to go to the press with this.
Thank you.
