

Notice: 2021 Major Contributor Reporting Period (Biennial School / Coordinated Election)

The reporting period for major contributor reports as it relates to the November 2, 2021 Biennial School/Coordinated Election begins on **Sunday, October 3, 2021 and runs through Monday, November 1, 2021**. Section 1-45-108(2.5) C.R.S., requires the filing of major contributor reports **no later than twenty-four (24) hours after receipt** of a major contribution. A major contribution is defined as a contribution, including loans (this includes candidates making loans or contributions to their own committee), of \$1,000 or more at any time within **30 days before a primary, general, or regular biennial school election**.

The major contributor report is due in addition to regularly scheduled contribution and expenditure reports. The TRACER system will automatically generate a major contributor report upon entry of a qualifying contribution into the system. Data entry of qualifying contributions into TRACER should be completed on the day they are received to avoid late penalties.

For your convenience, several contribution scenarios have been included below. These scenarios can be used as a guide in determining whether or not a major contributor report is required by law. If you need assistance or have additional questions, you can reach Campaign Finance Support by e-mail at cpfhelp@coloradosos.gov, or by telephone at 303-894-2200 (dial 3 then 1).

This applies to:

- ***ALL political parties***
- ***ALL issue committees***
- ***ALL candidate committees whose office appears on a 2021 ballot***
 - ***Note: A candidate contributing/loaning \$1,000 or more to their own campaign will trigger a major contributor report that must be filed***

This does NOT apply to:

- ***527 Political Organizations and Independent Expenditure Committees***

Contribution Scenarios

Scenario 1: Contributor X gives you a \$1,250 contribution via check on September 28th and you deposit it on October 1st; are you required to file a major contributor report? If so, when is the report due?

Answer: No major contributor report is due because the contribution was not received or deposited within 30 days before the regular biennial school election.

Scenario 2: Contributor Y gives you a \$1,050 contribution via check on October 5th and you deposit it on October 6th; are you required to file a major contributor report? If so, when is the report due?

Answer: Yes, a major contributor report is due because 1) the contribution was \$1,000 or more and 2) date received/deposited was within 30 days before the regular biennial school election. The report is due no later than 24 hours after receipt of the contribution.

Scenario 3: Contributor Z gives you a \$900 contribution via check on October 10th and you deposit it on October 12th; are you required to file a major contributor report? If so, when is the report due?

Answer: No major contributor report is due because the amount contributed is less than \$1,000.

Scenario 4: Contributor V gives you a \$400 contribution on October 12th and then a \$750 contribution on October 26th; are you required to file a major contributor report or reports? If so, when is the report or reports due?

Answer: Although Contributor V contributed more than a \$1,000 within 30 days before the regular biennial school election, no single contribution was equal to or greater than \$1,000; therefore, no major contributor report is required.

! Please review the following warnings:

- A Major Contributor Report needs to be filed within 24 hours of receiving this contribution. It will be added to the committee's schedule. Modifying this contribution may generate additional reports due. You must go to the Reports Due section of your committee workspace to file this report which is due separately from the Report of Contributions and Expenditures. Penalties will be imposed for reports not filed within 24 hours of receipt of the major contribution.
- If you click Cancel or leave this page without choosing Make Corrections or Continue Save the transactions entered will not be saved.
