Are you fracking kidding me???

email would be far too hard to verify!!!

Why are we throwing out ALL Common Sense three days???

“ In response to proposed rule draft Rule 16.2.1 (c), I object to any ambiguous wording in the rule that would permit a voter the discretion to use email voting except in truly hardship cases where mail or telephonic fax return of a ballot is the only method of returning the ballot after receipt by the voter in order to expect receipt of the voted ballot in the clerk's office by eight days after election day. ”
