Subject: Internet Voting

Dear Secretary Williams,

Please, no Internet voting.

My son who is a big gamer thinks internet voting is ridiculous unsafe.

“The [Colorado Republican Party](#), the [Libertarian Party of Colorado](#), [Common Cause and Verified Voting](#) have all opposed the Secretary William's email voting policy.”

I request that you “permit email and web-based voting only in extenuating hardship circumstances where no postal mail is available. “

Thank you,

Marcia Smoorenburg
