I am concerned that you are making it difficult for Democrats to vote. The voter ID and scheduling of places and times to vote are a concern. Are you redrawing the lines for manipulated representation with motives to elect Republicans. This is a 15th Amendment violation. I am prepared to file a case direct to the US Supreme Court if any discrepancy is detected in the State of Colorado. I lived in Texas before I moved to Colorado where this practice was common place. Please be honest.

With gratitude,

Jan

May you be happy, may you be free. May you be loving, May you be loved.
Father Thomas Keating says. "The best way to receive divine love is to give it away and the more we pass on, the more we increase our capacity to receive."
There is nothing that LOVE cannot face. There is no limit to it's faith, it's hope and it's endurance.
