Subject: Colorado's Rules Concerning Elections (8 CCR 1505-1) COMMENTS

2.3 Requiring a costly state ID to register to vote is a poll tax. Blatantly discriminatory and makes it hard to vote if you are poor. Here's a radical idea, make it easier for ALL Americans to vote. In WY, all I needed was my electric bill to vote!

2.10 Why so much effort to disenfranchise folks? this is fascist.
