Colorado Secretary of State

Denver, CO 80290

Dear Mr. Williams:

1. I address each point to yourself and to your staff at large.
2. Thank you for having the transparency to publish the codified rules and proposed rules changes related to the most critical action of any representative democracy: voting.
3. While the rules remain difficult to read (it truly is a labyrinth), I appreciate your efforts to make them less so.
4. I am most truly grateful for the following addition, which will help to ensure that the presidential electoral college fulfills the wishes of the majority of voters:

24.2.1 AS SPECIFIED IN SECTION 1-4-304 (5), C.R.S., EACH PRESIDENTIAL ELECTOR MUST VOTE FOR THE PRESIDENTIAL CANDIDATE AND VICE-PRESIDENTIAL CANDIDATE WHO RECEIVED THE HIGHEST NUMBER OF VOTES AT THE PRECEDING GENERAL ELECTION IN THIS STATE.
5. If you have not already begun the process, I implore you to enforce the inclusion of the most recent five years' worth of Federal and State tax returns as part of every presidential and vice-presidential candidate's application, in order for their names to appear on Colorado's presidential ballot.

Sincerely and respectfully yours,
Guy G Stevens
