Subject: Election Law Changes...

Hello!

Please consider the following in your revision of election laws in this state:

Amended Rule 2.5.4: I would like a clarification on this Amendment: The amended rule must clarify that in elections years of both presidential and state primaries, the party affiliation of the voter only applies to a single primary in the election cycle not all the primaries in the cycle.

Amended Rule 2.13.2: PLEASE REJECT THIS AMENDMENT, which would eliminate the requirement of election judges to maintain a log of new registered voters or of any changes made by register electors. These actions are critical to maintaining the integrity of fair and honest elections.

Amended Rule 8: PLEASE REJECT THIS AMENDMENT, which would not allow poll watchers to have any electronic device or mobile phone in their possession in the vicinity of the polling place. This is problematic because, without these, watchers would be unable to report voting irregularities in real time.

Thank you,
Annie Bielecki
