Subject: Mi Familia Vota in favor of Rule 7.9.9.

Dear Secretary Williams:

Rule 7.9.9.

Mi Familia Vota is in favor of the requirement to measure and record wait times at VSPCs but would like to see this rule go further and require counties to post wait times on their websites in real time or at least several times per day during early voting and hourly on the last Monday and Tuesday of the election. Our organization would benefit from having this information because it would allow us to send it out to our members and help direct voters to a VSPC where they can vote in a timely and convenient manner.

Thank you for your time and consideration on this matter.
