As a 25-year resident of Colorado and a voter in most elections, I thank you for the opportunity to comment on this rulemaking, as follows:

Amended Rule 2.5.4: please clarify so that party affiliation applies to a single primary, not all primaries in the cycle.

Amended Rule 2.13.2: please REJECT THIS AMENDMENT. Especially in light of recent Russian interference in our elections, logs must be kept.

Amended Rule 8: please REJECT THIS AMENDMENT. Pollwatchers need to be able to report any irregularities, or gain clarity on procedures, so cell phones and electronic devices should be allowed.

Ballot Separation Options for Unaffiliated Voters: The SoS has laid out 3 options for ballot separation for unaffiliated voters. I favor Option 1, however the Secretary of State must take care to ensure voter anonymity.

Cross Jurisdiction Voting: I support cross-county voting, but it should not lead to a reduction in voting centers.

Thank you!

Kathy Kilmer
