I know that if the following happens a lot of us Notaries that notarize documents inside our business would not renew. The only documents I notarize are documents generated inside our business and not from the general public. In my case the same document is notarized over 1,000 times a year. I have been a notary for over 40 years and have followed the rules but I see that the state is going to make it so stringent that a lot of us will not renew which hurts the companies we work for. You don't even have to take a driving test every four years.

- Amend rules to require notaries to take a notary course and pass an exam in order to renew their commissions.
