

To whom it may concern,

Colorado elections belong to the people. Unfortunately, Colorado Secretary of State Griswold does not agree. In her [June 17th](#) emergency rules proclamation, Griswold unilaterally attempted to block election transparency in our state.

This action is unethical, legally questionable, and outrageous.

I demand Colorado Secretary of State Griswold void her emergency rules on election audits in order to guarantee CO Citizen's rights to free, fair, and transparent elections.

I also demand a full forensic audit of the 2020 election in the entire state of Colorado.

A very concerned citizen,

Connie Ahern
