Subject: [EXTERNAL] Change illegal emergency rules for 2020 election audit to move forward!
Date: Thursday, August 5, 2021 1:04:42 PM
Attachments: [petition-2.pdf](#)
[citizens petition void emergency rule-1 .pdf](#)

To whom it may concern:

Enclosed you will find my signed petitions of intent to void illegal laws imposed by secretary of state Jena Griswold that halt the integrity of our elections. As a concerned citizen I demand an audit of the 2020 general election to find and remove all fraudulent votes. Eventually moving onto the audit of all local elections and the removal of Dominion systems in our state so we can get back to free and fair elections.
