Subject: [EXTERNAL] Colorado SOS Proposed Voter Rule Change Feedback
Date: Monday, August 9, 2021 5:02:35 PM

August 9, 2021

Attention: Colorado Secretary of State Staff

To Jena Griswold, SOS Staff, and Whom Else it May Concern at CO SOS Office:

It is clear that Jena Griswold is 100% corrupt and that the **Colorado Secretary of State and her office CAN'T BE TRUSTED.**

It is your responsibility to ensure that Colorado's elections are fair and completed without fraud.

Colorado has historically been a state with balanced representation from liberal, conservative, independent and libertarian voters. The results of the 2020 elections gave every single conservative, independent and libertarian voter great concern about the validity of the election results.

Instead of working faithfully on behalf of the people to ensure and prove our votes were counted properly, Ms. Griswold just laughs it off, as we are crazy... when in fact...

- **We KNOW the 2020 Colorado vote was manipulated.**
- **We KNOW Dominion's HQ is/was in Denver and that FRAUD occurred in Colorado's 2020 elections. We also HIGHLY suspect this has been going on for quite some time.**
- **We KNOW that Jena Griswold is CORRPURT. We know that she is being influenced by funds from George Soros.**
- **We KNOW that Jena's position was also likely earned through the vehicle of election FRAUD.**

Please be advised of the following:

Jena Griswold and her crimes will and are being exposed and she will be held liable for the actions and crimes against the People of Colorado.

Jena should only be focused on one thing and one thing only – ensuring that Colorado's elections are fair and free from fraud and manipulation.

Every single election rule change she has proposed only highlights that fact that she is CORRUPT and has zero interest in upholding the responsibilities of the Office of Colorado's Secretary of State.

The Secretary of State is responsible for ensuring election integrity and for protecting the votes of Colorado's lawful voters.

With regard to Rule 9.2.2 – why would Ms. Griswold wish to keep dead voters

eligible for voting? The answer is simple...and We all know WHY...it is because Jena is CORRUPT and she likely cheated to get into office, and voter FRAUD is the only way Jena and other Democratic Fraudsters can keep inflicting their George Soros funded Socialist/Communist/Totalitarian/Nazi agenda on the good people of Colorado.

As a lawful, contributing citizen of Colorado, I am disgusted and utterly appalled by the audacity of Ms. Griswold and her staff for thinking that you can pull one over on your constituents.

I vehemently object to ALL of the voter rules proposed by the SOS.

I strongly recommend you and your entire team do some serious soul searching about how you would like your legacy to be remembered. The truth is coming out and each and every one of you who participated and helped with the VOTER FRAUD against the People of Colorado will be exposed. Your day in court is coming and you will be held responsible for your crimes against the People of Colorado.

Regards,

Jessica MacNaughton
