Election rules should critically become LAW for the following:

1. Citizens votes, To Be Law, for all elections, should NOT be overridden by Any elected officials, at any year. Full stop.
2. Votes by Majority of citizens/ Coloradans should govern /count officially, not electoral votes !
3. Protect easy to vote, all ways, protect all voting equipments, software. If people violate this law, they should go to prison.
4. Elected officials, defending our democracy should have personal protection.
5. All norms to become Law, to protect our democracy, Constitutions.

Thank you.
Coloradans& family.
