Dear Secretary of State Griswald:

Regarding the proposed new RULONA rules, I'm in support of itemized receipts for General Notary Work which I already provide.

The exception should be for loan signings obtained via Signing Services and Escrow companies. As a notary, I accept one fee (listed on the confirmation sheet) and I do not break down each notarial act, travel fee, scan backs etc. If the SOS would like a copy of the confirmation sheet, this could easily be provided as a receipt.

I appreciate your time.

Thank you,
